

SAI PRAVEEN ABBURI

Front-End Developer

Andhra Pradesh

abburisaiipraveen@gmail.com | +91 7207062315

Summary

I'm a front-end developer with expertise in crafting responsive web interfaces. Skilled in HTML, CSS, JavaScript, and modern frameworks, I excel at turning complex ideas into intuitive, user-friendly designs. Passionate about problem-solving and staying updated with industry trends.

Education

RVR & JC College of Engineering

B.Tech in Computer Science Engineering (AI & ML) (2023 - 2027)

Vagdevi Junior College

Intermediate (2021 - 2023) - Grade: 10

Andhra Pradesh Model School

10th Grade (2021) - Grade: 9.5

Professional Experience

Freelance Front-End Developer (NOV-24 - DEC-24)

- Developed Nestora, an e-commerce platform for interior furniture, optimizing performance for fast rendering and improved user experience.
- Created dynamic user experiences by integrating APIs and working with modern front-end frameworks.
- Implemented a responsive UI, ensuring seamless accessibility across devices.
- Enhanced website traffic and engagement by creating an intuitive and easy-to-navigate interface.
- Leveraged React and modern front-end technologies to build a scalable and efficient application.

Technical Skills

- Proficient in HTML, CSS, JavaScript, and modern front-end frameworks like React and Bootstrap.
- Experienced with version control systems (Git) and collaborative tools like GitHub.
- Knowledgeable in responsive design principles and cross-browser compatibility.
- Actively practicing Data Structures and Algorithms (DSA) on LeetCode, enhancing problem-solving skills and algorithmic thinking.

Personal Projects

Team Collaboration Platform

- Developed a platform that allows users to create and manage teams, track projects, and communicate seamlessly through a LinkedIn-style chat system.
- Features real-time messaging, role-based access control, and project tracking with a clean and responsive UI.

Netflix GPT

- Built an AI-powered movie recommendation and streaming information platform.
- Integrated GPT-based search and recommendations, allowing users to discover movies and TV shows effortlessly.
- Features a Netflix-inspired UI, personalized content suggestions, and secure authentication.
- Increased user engagement by 35%.

E-Commerce Site

- Developed a fully functional e-commerce site with product listings, a shopping cart, and checkout features.
- Enabled user authentication and streamlined product management for a smooth shopping experience.

Certifications

- Course completion certificates in C, Python, Web Development.
- Completion of Responsive Web Design from FreeCodeCamp.
- Data Structures Mastery certificate from FreeCodeCamp.
- Earned a 50-day badge on LeetCode.
- Achieved 1* in CodeChef for solving problems.

Soft Skills

- Project Management
- Public Relations
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

Coding Languages

C, Python, Java, HTML, CSS, JavaScript, React
